

ONEIDA COUNTY  
OFFICE OF THE COUNTY EXECUTIVE

ANTHONY J. PICENTE, JR.  
County Executive  
ce@ocgov.net

April 2, 2020

To all City Mayors, Town Supervisors and Village Mayors and School Superintendents:

These are unprecedented times. As we work together to stem the tide of COVID-19 in our communities, it is vital we do all we can to implement social distancing in all situations. Extraordinary measures have already been taken and even more needs to be done.

I would ask that you all take proper precautions as it pertains to your public parks and playgrounds. We need to keep people off courts and playground equipment while preventing congregating activities. At this time, these activities and equipment should be closed to the public.

Parks should be used for solitary activities such as running, walking and biking. When people are taking part in these activities, they should be at least 6 feet away from other people at all times.

County Government continues to be on the front line of defense during this crisis. From dealing with public health and safety to providing emergency assistance for this entire community. We will continue to provide you with guidance during this crisis as best we can, recognizing that things change by the hour.

Thank you in advance and stay safe during this time.

Sincerely,

Anthony J. Picente Jr.
