Craig Manderville
Transportation Supervisor
Phone: 839.6318 Fax: 839.6386

May 1, 2020

Dear parents and guardians,

On May 1, 2020, Governor Cuomo announced that schools will remain closed for the remainder of the school year. He further stated that a decision on whether there will be a summer school will be made at the end of May. Earlier this week, the State Education Department announced that the August 2020 Regents exams have been canceled.

Teachers will continue to provide students with remote instruction via digital platform, hard copies of instructional materials or a combination of the two. We appreciate the efforts of parents and guardians in providing instructional support at home. ***The next round of student work may be picked up at the elementary school and middle school on Monday, May 4 between 7:00 a.m. and 5:00 p.m.***

Daily meals will continue to be available to all children 18 years of age and under through the remainder of the school year.

We encourage all students to continue their learning while school buildings are closed, and for all families to stay home whenever possible. Providing continuity of learning and distribution of meals for our students remains a priority and should continue uninterrupted. It is imperative that students take their school work, albeit remotely, as serious as if school was still under normal operations.

The school grounds will remain closed for use until further notice out of respect for social distancing protocols. Your obedience to this directive from County and State officials is expected and appreciated.

We will continue to provide important information to you as it becomes available. Please check our website regularly at www.svcasd.org for the latest updates.

We hope you and your families are staying safe and healthy during this uncertain time.

Sincerely,

Ronald Wheelock
Superintendent of Schools
