

Notice to Public
March 21, 2020

Due to the protocols put in place due to the Coronavirus, all Board of Education meetings will be closed to the public until further notice starting March 24, 2020. The meetings will be videoed and/or audio recorded and later transcribed for public who wish to view or listen to the meeting. Recordings of the meetings will be posted to the District's website or you may request the recordings in person at Superintendent's office located at the upper end of the elementary school. We appreciate your patience and understanding with this alternative meeting protocol.
