

## Child Care Available to Essential Personnel

On March 18, Governor Cuomo issued an Executive Order directing school districts to develop a plan for child care, with an emphasis on serving children of parents who are employed by essential businesses and entities that are critical to the COVID-19 response effort.

Child care placement is available to personnel who provide essential services, supplies, or support during this time. If you believe that you may qualify, please call the Oneida-Herkimer-Madison Child Care Resource Center at 315-223-7850 extension 222 or email [earlycareandlearning@cornell.edu](mailto:earlycareandlearning@cornell.edu).

Thank you to all essential personnel who continue to protect and support our community. Please be safe, and whenever possible, stay at home.

The following list is intended as a guide, but not an exhaustive list of professions or occupations eligible for prioritized childcare. Essential businesses and entities include:

- Essential Health Care Operations, Including:
  - research and laboratory services
  - hospitals
